Your Woolworths credit card travel insurance benefits at a glance

Automatic Basic Cover

As a Woolworths credit cardholder, you qualify for up to 90 days' automatic basic travel insurance for *international journeys* when you buy your return *travel ticket(s)* with your qualifying Woolworths credit card. Automatic basic travel insurance is available for travellers between the ages of 3 months and 74 years inclusive. Please refer to the *automatic basic cover schedule of benefits* on pages 7 to 8 in the policy wording for detailed information on the *benefits* and *benefit limits* offered.

The *insured journey* must begin and end in South Africa. When you buy more than one *public transport carrier* ticket and the travellers are travelling on the same *insured journey*, the travellers will share the *automatic basic cover*.

To ensure you are adequately covered, please tell us about your *international journey* before you leave. Once we have your travel details, we will activate your cover and issue your *travel insurance certificate*, which outlines the detail of your cover. The policy wording, which sets out the policy terms, conditions and exclusions, will also be provided. You may also choose to purchase additional cover to enhance the *benefits* available to you.

Automatic basic travel insurance does not include cover for any *pre-existing medical conditions* and *hazardous activities* and may exclude inconvenience *benefits* such as loss or theft of *baggage*, cancellation, *baggage* and travel delay. You have a choice of two optional top up plans to supplement the *automatic basic cover* available to you. Please refer to the optional top up *schedules of benefits* on pages 9 to 14 in the policy wording for detailed information on the *benefits* and *benefit limits* offered.

Optional Top Up Cover

As automatic basic travel insurance does not include cover for *pre-existing medical conditions* and *hazardous activities* and may exclude inconvenience *benefits* such as loss or theft of *baggage*, cancellation, *baggage* and travel delay, you have the option to buy additional cover from a range of two top up plans. The *optional top up cover* will supplement your *automatic basic cover* by providing a wider range of *benefits* and caters for trips up to a maximum of 184 days. The *optional top up cover* is available for travellers between the ages of 3 months and 74 years inclusive. The *insured journey* must begin and end in South Africa.

The standard optional top up plans may not include certain *hazardous activities*. Please refer to the *hazardous activities* listed on pages 43 to 45 in the policy wording to ensure that you have cover for your planned activities. Should your activity not appear on our list, please contact the Woolworths Customer Care Centre on 0861 987 283 or email at woolworthstravel@brytesa.com to ensure that you have the appropriate cover in place.

We also have cover available for *local journeys*. For information on the optional local *benefit plan*, please contact the Bryte Customer Care Centre on 0861 227 284 or email at absatravel@brytesa.com.

Cover for Pre-Existing Medical Conditions

The *automatic basic cover* excludes any claims which arise from any *pre-existing medical condition* that you are aware of. A *pre-existing medical condition* includes any doctor's consultation or medical advice, treatment, including prescription medication you received from a *medical practitioner* for any chronic or recurring *illness* or *injury* during the year before the start date of your *insured journey*. The *illness*, *injury* or medical condition does not need to be formally diagnosed to be considered a *pre-existing medical condition*.

Any conditions or symptoms that arise from a *pre-existing medical condition*, regardless of whether or not you have sought treatment or medical advice to diagnose these conditions or symptoms, are excluded from cover.

There are two optional top up plans which include cover for *pre-existing medical conditions*. Please refer to the *schedules of benefits* on pages 9 to 14 of the policy wording to select the appropriate level of cover. The *optional top up cover* is available for travellers between the ages of 3 months and 74 years inclusive.

Seniors Travel Insurance

The automatic basic insurance provides cover for travellers who are up to 74 years of age. However, if you use your Woolworths credit card to buy your return *travel ticket(s)*, and you are between the ages of 75 and 85 years inclusive, you qualify for the Woolworths credit card Senior plan. The *insured journey* must begin and end in South Africa.

Please refer to the Senior *schedule of benefits* on pages 15 to 19 for detailed information on the *benefits* and *benefit limits* offered.

Important information to help you understand the policy wording and how it applies to your cover

Thank you for buying a Woolworths travel insurance policy from Bryte. Your travel insurance cover is designed for unforeseeable and unexpected incidents that may affect your travel, for example, a medical emergency; an *accident*; trip cancellation; travel delays and lost luggage.

There are **two** documents that you need to read and understand:

Your travel insurance certificate — here, you will find who is insured under the policy, the duration of cover and the plan you are insured under along with the *benefits*, first amounts payable, waiting periods and single event or item limits. Each *benefit* is numbered, and you will find information about the *benefit*, in the policy wording, under the same number.

Your policy wording — this is the insurance contract between you and us. It details the insurance cover we provide (based on the plan you have purchased), the conditions of the insurance and when we will not pay a claim.

Let us know before you travel:

To ensure you are adequately covered, please tell us about your *international journey* before you leave. Once we have your travel details, we will activate your cover and issue your *travel insurance certificate*, which outlines the detail of your cover. The policy wording, which sets out the policy terms, conditions and exclusions, will also be provided. You may also choose to purchase additional cover to enhance the available to you.

Notifying us in advance helps us assist you quickly in a medical or travel emergency and makes the claims process smoother and faster. If we don't receive your travel information before you depart, it may delay the support we can provide or affect how your quickly your claim is handled.

By providing your travel details upfront, you help us give you the best possible protection while on your international *insured journey*. To declare your trip please paste this link into your browser, travelinsurance.brytesa.com/woolworths, or contact our customer services call centre on **0861 987 283** or email at woolworthstravel@brytesa.com.

Based on our experience, many travellers claim for **medical and related expenses; trip cancellation or cutting the journey short; travel and baggage delays; and lost or stolen baggage**. Therefore, in addition to these specific sections in your policy wording, we would like to bring your attention to the following:

- Your travel insurance policy does not replace your medical aid or personal insurance policy.
- If you have a **medical emergency**, contact our 24/7 emergency assistance company, Robin Assist on +27 21 100 4457 (Call or WhatsApp text message) as soon as possible. In an emergency, you want to avoid wasting time looking for your travel insurance details. Therefore, before you leave on your trip, we recommend that you take a photo of the emergency card provided with your policy documentation and save the details where it is easily accessible. We also recommend researching the international dialling code for the country you are intending to visit.
- If you need to **cancel your trip** for a reason we cover, please note that we pay for the *non-refundable* and unused portion of your trip. You must always contact your *travel agent*, airline or hotel first. If you are provided with a voucher for an airline ticket or hotel, for example, that can be used later, you cannot claim under your travel insurance policy. We also do not pay for any claims following government intervention, such as the closure of borders etc.
- If you carry **jewellery, electronics, or high-valued personal luxury items such as handbags, shoes or even your luggage**, we advise you to insure this under your personal insurance policy. The travel insurance policy has a single item limit which means we will not pay more than a certain amount for any single item and less the first amount or excess you need to pay.

To help you better understand your policy:

- **C: Important contact information and telephone numbers** — In an emergency, you must contact us as soon as possible.

- **D: Guidelines to interpretation and definitions** — key terms that have a specific meaning and appear throughout this policy wording are printed in italics and defined here.
- **E: General terms and conditions** — apply to the entire policy wording and gives you information on when your insurance starts, how to extend your policy, what to do if you want to cancel your policy, and more.
- **F: Events and items we do not insure** — also referred to as exclusions and apply to the entire policy wording.
- **G: How to claim** — provides the terms and conditions for claiming and what documentation you need to submit to support your claim.
- **Specific sections 1 – 20** — as outlined in your *schedule of benefits*, contain further key terms and definitions, the conditions that apply to the *benefit* and any additional events and items we do not insure (“exclusions”) for the section.

Please read these sections carefully and ensure you understand each *benefit’s* general and specific conditions and exclusions.

If you have any questions, or if you are in doubt that the travel plan you selected may not meet your travel requirements, don't hesitate to get in touch with our customer services call centre at 0861 987 283 or email at woolworthstravel@brytesa.com

- 1.2 You may not transfer your rights in this policy to anyone else. (This is known in law as cession.)
- 1.3 You may not transfer your obligations under this policy to anyone else. (This is known in law as assignment.)

2. The policy is made up of four documents

- 2.1 **Your travel insurance certificate:** This contains information that is particular to you. It includes the *benefit* plan you chose when you applied for insurance, the type of insurance you bought, the *benefits* and limits you are insured for, the premiums you must pay, and the *excesses* that apply. There are age limits that apply to the various *benefit* plans. Please check your *travel insurance certificate* to make sure you are insured for the *benefit* plan that best suits your needs.
- 2.2 **Policy terms and conditions:** These are set out in this document and include your and our rights and duties, the conditions of insurance, how to claim, and the events and items that we do and do not insure.
- 2.3 **Changes to your policy:** These are also called endorsements. Any changes must be in writing and agreed to by us before they form part of your policy.
- 2.4 **Your right to know:** Information about your short-term insurance. This document is attached to the end of your policy. It gives details about us and the people you can contact for claims and disputes.

3. The structure of this policy

This policy is divided into two parts:

- 1. The first part contains general sections, labelled A to G;
- 2. The second part contains specific sections, numbered from 1 to 20. You might not have insurance under every section. Specific exclusions, limits and sub-limits may apply to your insurance. Please check your *travel insurance certificate* to see what you are insured for.

- 5.1.4 You do not qualify for *automatic basic cover* if you did not use your qualifying Woolworths credit card to pay for your return international *public transport carrier* ticket. You may, however, buy the optional top up *benefits* by paying with your Woolworths credit card.
- 5.1.5 You only qualify for *automatic basic cover benefits* when your insured *international journey* begins and ends in South Africa.

5.2 Optional top up cover

- 5.2.1 If you did not buy your return international *public transport carrier* ticket with your Woolworths credit card, you can buy the *optional top up cover* by paying with your Woolworths credit card.
- 5.2.2 *Optional top up cover* has to be bought for each traveller including children travelling on the same *insured journey*.
- 5.2.3 The premium for the *optional top up cover* is shown on your *travel insurance certificate*. You are not insured until we receive your premium.
- 5.2.4 We may ask for proof of payment of your premium.

6. Paying claims

- 6.1 We pay only for valid claims. We do not pay you more than the *benefit limits*.
- 6.2 We pay the *benefit* to you except where you claim for emergency medical and related expenses while on an *insured journey*. In this case, we pay the *benefit* to the provider of the *medical expenses*. After we have paid the *benefit* for a valid claim, we have no further legal responsibility to you or to anyone else.
- 6.3 We pay the *benefit* to you except when you claim for legal responsibility to a third party while on an *insured journey*. In this case we pay the *benefit* to the person who claims for legal responsibility to a third party. After we have paid the *benefit*, we have no further legal responsibility to you or anyone else.
- 6.4 We only pay the *total limit of all claims* for any one *accident* or series of *accidents* caused by one event for each travel party or *family*.

- 6.5 If we issue two or more travel policies for the same *insured journey* that apply to the same claim, then the most we pay is the highest *benefit limit* shown in one of the policies. We only pay under one policy.
- 6.6 If one *accident* or a series of *accidents* happen as a result of a single event, all the individual claims covered by us will be reduced proportionately until the total of all individual claims does not exceed the *aggregate total limit of claims*, as shown in the *schedule of benefits*.
- 6.7 When your children are travelling with you on the *automatic basic cover* on the same *insured journey* we only pay the *total limit of all claims* for you and your children. This applies to each *insured traveller* named on the *travel insurance certificate*. Where the Short-Term Insurance Act (53 of 1998) places limits for insurance for a *child*, we only pay up to these limits.
- 6.8 For *permanent total disability* of a *child*, the most we pay is 20% of the *benefit limit*.
- 6.9 For death of a *child*, the most we pay is the lower amount of either:
- 6.9.1 20% of the *benefit limit*; or
- 6.9.2 The amount allowed by law at the *date of loss*.
- 6.9 You are responsible for any taxes on *benefit payments*.
- 6.10 We do not pay any interest on *benefit limits*.

7. Updating policy terms and conditions

- 7.1 We reserve the right to make changes to any terms and conditions, including premiums, *benefit limits* and exclusions of this policy at any time.
- 7.2 These changes will be provided to you in writing by way of endorsement on your policy documents.

8. If you have other insurance

This clause does not apply to Personal accident (Section 2).

- 8.1 The policy operates on a “first response basis” for emergency medical and related expenses. This means that in a medical emergency we will assist you, but any expenses incurred will be recovered from *other insurance* you might have in place. If any claim under this policy is covered by *other insurance*, this policy will be deemed to be in excess of your *other insurance* and you will have to claim against your *other insurance* first. For example, if an airline is responsible for all or some of your claim, you must claim against the airline first. We pay our proportion of the claim where we share legal responsibility with the airline. The amount we pay is the *benefit limit* less the amount the airline is responsible for.
- 8.2 When you claim on this policy, you must tell us about any *other insurance* you may have that insures you for the *insured event*. You must transfer to us all your rights to claim from those insurers. This transfer is known in law as subrogation. The cession must allow us to do all things necessary to claim against the other insurers, including bringing legal action against them if they do not pay their proportion of the claim.
- 8.3 If we have already paid the claim in full to you, your rights to claim from other insurers are automatically transferred to us. This means we can claim against those insurers in your name. See paragraph 7 below.
- 8.4 You must co-operate fully with us when we exercise our rights to claim against other insurers. This includes:
- 8.4.1 Not doing anything that negatively affects or limits our rights;
- 8.4.2 Giving us whatever information and documents we ask you for;
